ドーピング通報窓口

To All who Play, Watch, Support Sport in Japan

Japan Sport Council, in cooperation with JADA and other relevant organisations, conducts anti-doping investigations to identify anti-doping rule violations (ADRVs) in Japan and operates a reporting platform as a means of collecting tips for its investigations. Also WADA and ITA have their own platform for reporting any alleged ADRV by any athletes and athlete support personnel from all over the world, including Japan. Contact us when you see, hear, or know anything suspicious related to doping in sport.

Japan Sport Council (JSC)

JAPAN SPORT COUNCIL

JSC is an incorporated administrative agency responsible for promoting the nation's sport and enhancing and maintaining school children's health. As one of its activities, JSC Sport Integrity Unit conducts Intelligence and Investigations activities in the area of anti-doping, as well as governance and compliance assessment and ensuring a healthy environment for athletes.
